## Faith Inkubators Training for parents and small group leaders

Learn how to be a ***GREAT*** small group leader and parent. Hear about the "Faith 5" and how they can be used in the home, and classroom setting.

Faith Inkubators is dedicated to the health and welfare of all God's children and the whole Christian church, its congregations, families, and children. Their mission is to equip church leaders to effectively train their congregations in holistic, biblical, theologically sound faith formation systems. It is their goal to catalyze a revolution in home-based faith education and spawn a home devotional movement across the church. Visit [www.faithink.com](http://www.faithink.com) for more details.
